

NATIVES CONTROL THE FILIPINO BOARD

President Wilson Sends to
Senate Nominations of
Five Commissioners.

A step toward the complete independence of the Philippines, promised by President Wilson, has been made in the designation of a Philippine commission, with a majority membership of Filipinos. The names of the five Filipino members were announced yesterday and the nominations were sent to the Senate this afternoon. The new American members have not yet been designated.

The Filipino commissioners are: Victoriano Mapa, in charge of finance and justice; Jaime C. de Veyra, Vicente Ilustre, Vicente Sison and Rafael Palma. The latter has been a member of the Philippine commission for five years, and his resignation was not accepted. The others are all new appointments.

Mapa and Sison are members of the progreßive or minority party. The other three Filipino commissioners are of the majority or nationalist party. Victoriano Mapa, who is to be secretary of finance and justice and a member of the commission, was born in Calicut, province of Capiz, island of Panay, about 1870. He has been an attorney at law since 1877. He has occupied the positions of register of deeds of Iloilo, mayor of the city of Iloilo and various judicial positions. He has been an associate justice of the supreme court in the Philippine islands since 1901.

Visited States in 1904.

He visited the United States in 1904 as a member of the honorary board of commissioners to the St. Louis exposition. Jaime C. de Veyra was born in the province of Leyte in 1873, and was educated in Manila. He is a journalist and has edited newspapers in Cebu, in Leyte and in Manila. He has been a member of the Philippine assembly from the province of Leyte and a member of the Philippine assembly from that province since 1901.

Vicente Ilustre was born in Batangas province. Since 1904 he has been practicing law in the city of Manila. He has never held office under the American government of the Philippine islands.

Party Leader in Assembly.

Vicente Sison was born in Vigan in the province of Ilocos Sur, in the north of Manila; bachelor of arts 1894, graduate of the University of Santo Tomas; admitted to practice before the supreme court of the island in 1901. He is the leader of the progreßive party in the assembly and is the president of that body.

Rafael Palma was born in Manila in 1874. During the insurrection he was connected with several newspapers. He was admitted to the bar in 1901 and was a member of the first Philippine assembly from the province of Cavite. He was appointed a member of the Philippine commission in 1903.

Two members from the Visayan islands, namely, the neighboring provinces have been represented by two members, and one member is appointed from the Ilocos province, in the north of Luzon.
